SEARCH ENGINE DONATION

What if Byram Schools could earn a penny every time you searched the Internet?
Well, now we can!

GoodSearch.com is a new search engine that donates half its revenue, about a penny per search, to the charities its users designate. You use it just as you would any search engine, and it's powered by Yahoo!, so you get great results.

Just go to **www.goodsearch.com** and be sure to enter **Byram Schools** as the charity you want to support. Just 500 of us searching four times a day will raise about \$7300 in a year without anyone spending a dime! And, be sure to spread the word!

GoodSearch is a Yahoo-powered search engine with a unique mission – 50% of its advertising revenue, about a penny per search, is shared with the nonprofits selected by its users. The more people use GoodSearch, the more money will be directed towards your cause. The sky is the limit!

Here's an example of how much your organization can earn:

- 100 supporters search the internet just twice a day = \$730/year
- 1,000 supporters search the internet just twice a day = \$7300/year

While the press has done a great job in featuring GoodSearch, in order for our cause to earn as much money as possible, it's important that you spread the word.

It's ALL about the KIDS !
